Teacher and Staff Spotlights

Mr. Cole

By Audra Flynn and Jeremiah McCarty

Q: What was your favorite part about being a colonel?

A: The great big paycheck - and it was big!

Q: Why do you love math?

A: I love math because it's easy.

Q: What's your favorite part about Vernon?

A: I like Vernon because of the principal and the vice principal.

Q: If you had one superpower what would it be?

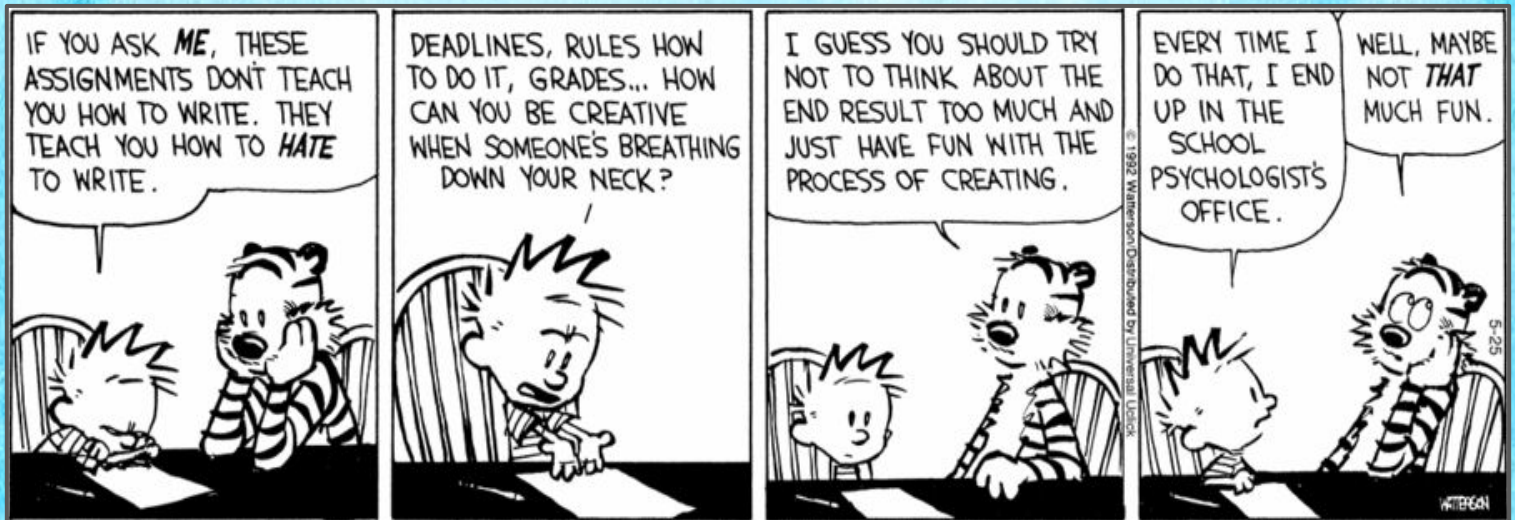

A: I already have one: I can turn average and non-average math students into A/B math students.

Mrs. Taylor

By Ashley Pedigo and Cassie Thompson

Mrs. Taylor has been working here at Vernon Middle School for 23 years, and this year will be her 24th. Mrs. Taylor is a very important member of the middle school staff and we hope she will still be here at Vernon for many years to come. We asked Mrs. Taylor, "What are one of hidden talents?" She said, "Some people might know this about me, but photography, I love to take pictures. Which is very shocking, like the answer to this next question. She was asked, "What would students be surprised to find out about you?" Her exact words were, "Well I like to fish and go camping. I like sunsets, sunrises, and thunderstorms. I'm a very strange person." Mrs. Taylor is loved and admired by the students and staff. We asked, "How and where do you find information about different things?" and her response was, "Google." We asked Mrs. Taylor, "What is something people don't know about you?" She said she has two grown boys, and she loves to sit outside and watch storms. Mrs. Taylor likes everything and interacting with everybody, she doesn't really dislike anything. Lastly we asked her, "If you could do anything else what would it be?" She said a mom, she has always wanted to be one and she is.

Basketball

Vernon vs Bonifay

By Avari Hayes

The first game of the season was definitely interesting to watch. Maggie Oleyar got first shot of the game. Madyson Brown shot two threes, earning the team six points. In the end, Bonifay won, the total score being 41 to 8.

Madyson Brown shoots (and scores!) a three-point shot.
